

Hiyya and Welcome on board to our destash market.

We know you're all busy sorting out your cupboards and workrooms in preparation for the upcoming Crafters destash market. We thought it would be handy to include a few handy tips to make things easier on the night!

Venue address is: [Mt Eden War Memorial Hall, Dominion Road, Mt Eden](#)

To keep the costs down for you we are charging a \$2 entry fee to the public.

Information:

Invoices will be sent out after acceptance and payment will secure your spot.

If you require a table please let me know, these cost \$10 extra and will be added to your invoice.

Cancellation. If you can't make it for any reason please let me know ASAP so I can fill your spot. You can review our cancellation policy on [Ts&Cs](#) (these have been updated since COVID).

The [Market Money](#) will be located at the entrance to the hall.

Learn more about [Market money](#).

We would like everyone to do their part in spreading the word.

- ★ SHARE the poster/s on your Social Media (Facebook/ Instagram/ Website/ Online Shop/Email blasts & newsletters)
- ★ TAG [#ctmarkets](#) [#craftersdestash](#) in all your social media posts so we can find your posts. We will be sharing your posts on our Facebook page.
- ★ RSVP to Crafters Destash Market event on our [Facebook page](#) This will help to let other people know about the event.
- ★ ADD the event on your Facebook page
- ★ If you see other posts about the Crafters Destash market, like the post and comment, actively engaging on peoples posts tells Facebook that the post is good and helps to share it wider.

If we all work hard to promote the event, we may go home with a lot less in our stash and more cash in our pockets.

Parking

Mt Eden War Memorial Hall has a car park behind the building and parking in nearby streets. You can unload in the driveway but then move off to park. The more car parks we leave closer to the building the easier it will be for customers to park. There is also a very large car park across the main road next to the old Warehouse building that is free parking in the evenings.

Setup

- ★ Set up is from 4.30pm onward, we appreciate if you do not show up any earlier, as we will still be setting up the hall.
- ★ The market will be running from 6-9pm (no pack up before this time please) and be aware we need to be out of the hall by 10pm.
- ★ We understand many of you will be working, if you can let us know if you are arriving later than 5 so we can save you a space.
- ★ Do not pack up before 9pm
- ★ Please ensure your area has been packed up and nothing has been left behind. Take your rubbish home with you. Rubbish left behind will incur a rubbish removal fee invoiced after the market.

Display

- This is a super chilled event, however you choose to display your stash is fine.
- You must keep within your allocated space however and don't encroach on your neighbours space. If you find you need more space, come and find one of us as we may be able to accommodate you on the night.
- This spirit of this market is a destash market, friendly and fun.

Kitchen

I will ensure the urn is on in case you want to make your own tea, there is no microwave. We are hoping to have a coffee vendor on site.

With the abundance of events happening every weekend, it's all about building excitement around the market experience, encouraging people to want to spend their precious free time and hard earned money with us. We do this by working together on our marketing campaigns.

Your hosts are Fi and Korin Leaning, we appreciate your involvement and look forward to hosting you!
